

## Alcohol Monitoring + GPS Tracking

A smarter, more comfortable alternative for probation and compliance monitoring.

### Why TraceX Affirm™

1. Alcohol + GPS in one device

2. Dual-sensor design helps reduce false positives

3. Environmental Alcohol Sensor + Internal Alcohol Sensor

4. Comfortable, discreet, and no skin irritation

5. Near real-time Text & Email alerts

6. Analytic detection + human confirmation

7. No territorial restrictions – can be sold anywhere

**No Geographic restrictions with TraceX**
